To the Trade

We submit herewith our Price List for the year 1923.

Order direct from this price list which saves you agents' commission.

Or when Spring opens up, drive to the Nursery, inspect our trees, see what you are getting.

Bring horse blankets and we will wrap up the trees so that neither they nor your car will be damaged.

The trees are in a healthy condition. Certificate of inspection will be furnished with each shipment. The varieties named in this list have been carefully selected as best for Iowa soil and climate.

We exercise the greatest care in having our trees true to label and agree upon proper proof to replace all that may prove untrue, but are not liable further.

We guarantee trees to be in good growing condition at the time of delivery, but cannot be responsible further.

All claims for shortage, damage, etc., must be made within ten days after delivery of goods.

REFERENCE—To those not acquainted with us we refer to the Pella National Bank or any business firm in Pella.
